Message to our audience:

Dear Family and Friends:

Welcome to our Annual Talent Festival 2023!

This event is presented by Due to Arts, Inc. who is also part of Taller en Accion Arts Academy. Different genres of the Performing Arts are presented to bring you an unforgettable artistic experience.

This year we have more than 100 talented kids on stage; it has been a great pleasure to work with them producing this year's festival. We are so grateful to have partnered with three Miami-Dade County Schools and several Art Academies to create this wonderful presentation.

We are privileged of being added to the Miami Dade County Calendar of Events, and the honor of being part of the Miami Dade Heritage Month Events.

We would like to take this opportunity to thank Miami-Dade County Department of Cultural Affairs for their continued support; the City of Doral, Doral Family Journal and to our sponsors, collaborators, staff and families of our participants for their patience and commitment to this event.

This year's festival goal is to bring us many enchanting performances! And to remind us of the importance of giving and being part of a community. This year's Festival pretends to bring: "Joy to the World". Enjoy!

Due to Arts who is also part of Taller en Accion Arts Academy proudly present its Annual Talent Festival. Join us to watch the arts bring Joy to The World, on stage when singers, actors, dancers and musicians put on a spectacular show. Our organization prides itself in promoting the performing arts every way possible. Our mission is to promote the performing arts by creating theater plays, dancing performances and musical pieces. We help kids experience this world by letting their creative minds exceed all possibilities.
